

# KISEMBO RODGERS BANGIRANA

"Software Engineering Student and Intern with Hands-on Experience and a Passion ...

✉ ksemborodgers100@gmail.com 📞 +256 778 898 762 📍 P.O.Box 7106 Kampala

## Education

**Bachelor of science in Software Engineering**  
Makerere University

Feb 2021 - Present

## Employment

**Software Engineering intern**  
Powellpay, Kampala

Apr 2022 - Present

## Certificates

**Good governance and leadership**

Present

This program has developed my skills and knowledge related to effective governance practices and leadership strategies. It covers ethics, decision-making, strategic planning, communication, and conflict resolution, essential for successful leadership.

**Financial literacy in management**

Mar 2023

This has improved my ability to understand and effectively manage financial resources. It includes skills such as budgeting, financial planning, and risk management, which are essential for successful organizational leadership.

Internship

Project Management

## Certificates

### Good governance and leadership

Present

This program has developed my skills and knowledge related to effective governance practices and leadership strategies. It covers ethics, decision-making, strategic planning, communication, and conflict resolution, essential for successful leadership.

### Financial literacy in management

Mar 2023

This has improved my ability to understand and effectively manage financial resources. It includes skills such as budgeting, financial planning, and risk management, which are essential for successful organizational leadership.

## Internships

### Data scientist

Apr 2023 - Present

Powellpay, Kampala

This provided a hands-on experience, mentorship, and networking opportunities, helping me develop valuable skills, gain exposure to new technologies, and prepare for a career in software engineering.

## Achievements

1. Developed & launched a project that solves a real-world problem
2. Contributed to an open-source software project.
3. Received a recognition for exceptional performance in a Hackathon.
4. Appreciation for serving as a leader in a college fellowship.
